

Topic :- poem → One Morning

I Woke up one morning feeling hot and sick.
Mummy called the doctor, he came very quick.
He washed his hands, took off his coat.
He looked at my eyes and down my throat.
He touched my hand and said, "Dear dear,
I won't hurt you so do not fear.
Here, take these pills." He smiled and said,
"In a few days you'll be out of bed!"
