Spring time light

III Fill in the blanks:-

① All creatures feel the warming hands of sun beams scattered on the land.

② As battered grass begins to grow

③ Released once more the rivers flow.

IV Answer the following:-

① what welcomes light?

Ans The morning welcomes light.

② what do growing days give us?

Ans Growing days give us time and heat.

③ In the morning, what do the trees do?

Ans:- In the morning trees are singing in chorus lines which blossoms redefine.
