TELL ME WHY

I know a curious little girl  
 Who always asks — "Why" ?  
 Why this, why that,  
 Why then, why now,  
 Why not, why by the by.  
 She wants to know  
 Why wood should float ?  
 Why lead and marble sink ?  
 Why sun should shine ?  
 And wind should blow ?  
 And why we eat and drink ?  
 She wants to know  
 What makes the clouds ?  
 And why they cross the sky ?  
 Why the sun sinks behind the hills,  
 And why the flowers die ?  
 Some of these why's are not too hard,  
 To answer if you'll try,

- 
- Curious : eager to know
  - Sink : drop downwards
  - Hard : solid, firm

*lead - tip of a pencil*
