

UNIT-2

In this lesson you will learn :

- Introduction of subtraction .
- Subtraction facts
- Subtraction of a digit and 3 digit numbers(with and without regrouping) .
- Story sums.

INTRODUCTION OF *SUBTRACTION*

Subtraction means taking away a number or quantity from another number.

When we subtract a smaller number from a bigger number, the answer that we get is called the difference.

SUBTRACTION

Terms Used

- The larger number from which smaller number is subtracted is called the **minuend**.
- The smaller number which is subtracted is called **subtrahend**.
- The resulting **number** is called the **difference**.

_____6 minuend

-  _____4 subtrahend

=  _____2 difference

MINUEND - SUBTRAHEND=DIFFERENCE

$$6 - 4 = 2$$

' ' is the symbol
used to denote
subtraction.

Vocabulary

- Minuend
- Subtrahend
