

Poem - "TELL ME WHY."

I. Answer the following questions:

1) Is it too hard to answer the questions asked by the curious girl?

Ans Some of the questions are not too hard and some are too hard to answer.

2) What things the girl asks about nature?

Ans The girl asks why wood should float? why lead and marble sink? why sun shine and wind blow? why we eat and drink? why the clouds cross the sky? And why the flowers die?

3) Give another title for the poem.

Ans The curious little girl.
