

## Poem - "TELL ME WHY."

I. Answer the following questions:

1) Is it too hard to answer the questions asked by the curious girl?

Ans Some of the questions are not too hard and some are too hard to answer.

2) What things the girl asks about nature?

Ans The girl asks why wood should float? why lead and marble sink? why sun shine and wind blow? why we eat and drink? why the clouds cross the sky? And why the flowers die?

3) Give another title for the poem.

Ans The curious little girl.

4) Name the things that God has given us to make our lives worth surviving.

Ans God has given us the sun to give light, air to breath and clouds to bring rain.

5) What do you know about nature? Explain.

Ans Nature is God gift.

The things created by God is nature such as - plants, animals, land, air; water, mountains, oceans and stars that is not made by people.

We should protect and save the nature: \_\_\_\_\_
