Poem - No - 2
Manners

Listening/Learning

We say, "Thank you".

We say, "please".

We don't call names or tease.

We don't shout. We don't fuss.

We listen when others talk to us.

We share our toys and take our turn.
Good manners aren't too hard to learn.

It's really easy, when you find.

"Good manners" means.

Just being kind!

END
